PROFESSIONAL SUMMARY

Chartered Accountant (ICAI, 2012) with 15+ years of senior finance leadership across three of India's largest airline groups — Air India (Tata Group), IndiGo, and Akasa Air. Trusted finance partner to Boards, CXOs, and institutional stakeholders, including direct engagement with Tata Group and Singapore Airlines leadership through the Air India–Vistara merger. Deep expertise in FP&A and strategic planning, P&L and route-level profitability management, financial reporting and governance, and capital markets execution — having led controllership on INR 44B+ (~US\$530M) of IPO and FPO transactions with direct investor and regulatory disclosure responsibility. Experienced in building, leading, and developing finance teams across multi-site operations, and in driving ERP-enabled finance transformation (SAP S/4HANA, AMOS). Seeking a Senior Finance Director role to bring this Board-facing strategic finance and P&L leadership to a group-level mandate in the UAE/GCC.

CORE COMPETENCIES

Strategic Finance & FP&A | CEO & Board Partnering | Investor Relations & Capital Markets (IPO/FPO) | P&L Ownership & Route/Business-Unit Profitability | Financial Reporting & Consolidation (Ind AS/IFRS, US GAAP) | Team Leadership & Development | Internal Financial Controls (IFC) & SOX-Equivalent Governance | Statutory & Internal Audit | ERP Transformation (SAP S/4HANA, AMOS) | Enterprise Risk Management

PROFESSIONAL EXPERIENCE

AVP, Financial Controller & Head – Finance Transformation | Air India Limited (Tata Group)

New Delhi / Gurugram, India | October 2022 – Present

- Serve as primary finance business partner to the Board, Tata Group, and Singapore Airlines leadership through the Air India–Vistara merger integration; deliver Board-ready reporting and an automated senior-management dashboard suite for predictive KPIs.
- Own strategic long-term planning and the Annual Operating Plan (AOP) cycle, with full P&L accountability for budget-vs-actual performance; lead a Direct Operating Cost (DOC) validation program for route-level profitability visibility.
- Lead financial reporting and close, internal audit coordination, and IFC compliance certification across regional finance hubs — leading and developing finance teams to deliver accurate, timely Board and regulatory reporting.
- Led the controllership workstream of a 6-month SAP S/4HANA and AMOS ERP integration; deployed an automated OpenText Vendor Invoice Management platform, cutting manual processing ~70% and 3 days off the close cycle.

Financial Controller & Revenue Partner (GM Finance) | Akasa Air

Mumbai / New Delhi, India | February 2022 – October 2022

- Business-partnered with commercial and operational leadership; built a KPI dashboard suite linking financial performance to daily operations.
- Built the financial reporting function, close process, and IFC control framework from the ground up at a newly launched airline, while implementing lean cost-control governance.

Senior Manager to Associate Director, Financial Reporting | IndiGo (InterGlobe Aviation Ltd)

Gurgaon, India | December 2014 – February 2022

- Coordinated controllership for two capital markets transactions — the 2015 IPO (INR 18.5B / ~US\$223M) and 2017 FPO (INR 25.5B / ~US\$307M), together raising over INR 44B (~US\$530M) — including regulatory compliance, investor disclosures, and institutional stakeholder relations.
- Directed route and sector-level yield and profitability analysis in partnership with corporate planning and revenue teams, driving an 8% annual cost reduction.
- Led the Ind AS (IFRS-converged) transition and Record-to-Report re-engineering; owned statutory and management reporting to the Board and Audit Committee.
- Designed and presented an enterprise risk-management framework to the Audit Committee.

Assistant Manager, Statutory Audit (AERS) | Deloitte India

Gurgaon, India | December 2012 – December 2014

- Delivered statutory audit engagements within Deloitte's Audit & Enterprise Risk Services practice.

Audit Executive / Article Assistant | Mazars India

Gurgaon, India | August 2008 – February 2012

- Performed IFRS-to-US GAAP conversion on the Form 20-F audit engagement for Cairn India (SEC cross-listing) and the Adidas statutory audit; multi-client exposure across inventory, receivables/payables, and revenue recognition.
