+91 98117 94348 | prateek.taneja16@gmail.com | linkedin.com/in/prateek-taneja | New Delhi, India (Open to relocation — UAE)

EXECUTIVE SUMMARY

Transformation leader with 15+ years leading enterprise-wide transformation, digital/ERP modernization, and change management across matrixed aviation organizations, partnering at CEO, CFO, CCTO, CIO, and Board level. Builds transformation roadmaps, operating-model change, and benefits-realization frameworks that convert strategy into measurable, board-reportable value.

- **\$4.4B, 4-entity merger integration — transformation roadmap through CEO/CFO sign-off**
- **169-person SAP S/4HANA rollout — fastest global implementation, SAP-recognized**
- **500+ person digital transformation — 80% faster processing, ₹30+ Cr fraud prevented**
- **2 AI agents co-architected — savings equivalent to 10 FTEs**
- **₹60,000+ Cr in benefits-realization & value-tracking oversight**

SKILLS

- Enterprise Transformation & Transformation Road mapping — strategy-to-execution translation, phased delivery planning, work stream and initiative leadership
- Digital & AI-Led Transformation — ERP modernization, AI agent co-architecture, automation roadmaps, systems integration (Website/CRM/ERP/Banking)
- Change Management & Adoption — enterprise change frameworks, readiness planning, capability building, community of practice
- Benefits Realization & Value Tracking — KPI design, value/benefit tracking against business cases, corrective-action recommendation
- Operating Model & Capability Design — organization design, workforce and capability change, decentralized accountability
- Stakeholder Management & Executive/Board Advisory — trusted advisor to CEO, CFO, CCTO, CIO, Board, Audit Committee, JV and Tata Group partners
- Cross-Functional Program, Risk & Critical Path Management — large, matrix, multi-entity transformation programs up to 500+ participants
- Vendor & Sourcing Strategy — governance of 7+ external consulting/technology partners; build-vs-buy evaluation and ROI discipline
- Governance, Reporting & Compliance — IFC/ITGC/SOX (400+ controls), IFRS/US GAAP, capital-markets and regulatory governance

- Contract & Vendor Systems: Icertis, VIM OpenText/Ariba
- Data & Analytics: Azure Data Lake, Databricks, Power BI
- Commercial & Operations Systems: Amadeus ARA, Salesforce

PROFESSIONAL EXPERIENCE

Head - Finance Transformation & AVP, Financial Controller

Air India Limited | New Delhi, India | Oct 2022 - Present

- Cut processing time 80% and prevented ₹30+ crore in dubious claims, by leading a 500+ person digital transformation program integrating Website, Salesforce, SAP, and banking (H2H) — conceptualization through cutover in 7 months.
- Delivered a 169-person SAP S/4HANA transformation in 6 months — recognized by SAP as the fastest global implementation — spanning 25 finance SMEs, 20 partners, and 41 international stations.
- Delivered savings equivalent to 10 FTEs and launched an 8-process automation roadmap, by co-architecting 2 AI agents with IT and leading vendor build-vs-buy evaluation.
- Enabled CEO/CFO sign-off on the \$4.4B Air India-Vistara merger integration across 4 entities, by leading financial data migration, reconciliation, and Trial Balance finalization — recognized by Tata Sons management.
- Informed North America route-optimization and APAC fleet-swap decisions, by automating real-time route-level profitability reporting integrated with SAP.

- Delivered a clean audit report with zero material exceptions, by rolling out a 400+ control IFC/ITGC framework across Finance, Commercial, Engineering, and Operations.
- Realized ₹94+ crore in annual value against approved business cases, by leading enterprise budget governance and benefit-tracking KPIs across ₹60,000+ crore of spend.

Financial Controller & GM Finance — Finance Function Build & ERP Transformation

Akasa Air | New Delhi, India | Feb 2022 – Oct 2022

- Built a 16+ person finance function and operating model from zero in 3–4 months, for a newly launched carrier.
- Cut month-end close by 10 days, by implementing SAP and AMOS as systems of record alongside 350+ Internal Financial Controls and Power Automate-based invoice posting.

Financial Reporting — Capital Markets & IFRS Transformation Lead

IndiGo Airlines | New Delhi, India | Dec 2014 – Feb 2022

- Cut Record-to-Report reporting time by 12 days, by leading a transformation across 26 SOPs and 245 Internal Financial Controls.
- Led the IFRS (Ind AS-converged) transformation, implementing 40+ accounting standards in 4 months, with the most significant impact on lease accounting.
- Enabled INR 44B+ in capital-markets transformation (2015 IPO + 2017 FPO), preparing board-ready governance narratives for the Audit Committee and Board.
- Drove an 8% annual cost reduction, by deploying an enterprise risk-management and benefits framework across 26 processes.

Assistant Manager – Statutory & US GAAP Audit

Deloitte | New Delhi, India | 2012 – 2014

- Led statutory audits for 7–8 listed-entity clients, ensuring Ind AS and regulatory reporting compliance.
- Executed IFRS-to-US GAAP conversion on the Form 20-F engagement for Cairn India, supporting SEC cross-listing.

Article Assistant – Statutory & US GAAP Audit

Mazars India | New Delhi, India | 2008 – 2012

- Converted Adidas financial statements from Indian Accounting Standards to US GAAP across inventory, receivables/payables, and revenue recognition.

KEY ACHIEVEMENTS

- Directed transformation programs ranging from 21 to 500+ participants, recognized by SAP and Tata Sons management for speed and execution accuracy.
- Built benefits realization and value-tracking discipline across ₹60,000+ crore of spend and INR 44B+ of capital-markets transformation.
- Built and led finance and technology transformation teams of 16–21 across greenfield and large-scale, matrixed environments.

EDUCATION & CREDENTIALS

- Chartered Accountant (CA) — Institute of Chartered Accountants of India (ICAI), 2012
- Bachelor of Commerce (B.Com) — University of Delhi, 2008
- Certifications: Project Management Professional (PMP, PMI) – In Progress | Microsoft Azure Essential Professional | SAP Financials Essential Professional | Google AI Fundamental Professional
